## Single Can Trash Agreement

I am applying for the special one can per week trash rate. I agree that I will place out for collection no more than one 33 gallon trash can per week. If I place out more than a single can per week, I realize that I may no longer qualify for the special single can trash rate and will revert to paying the standard trash rates. After one year paying the standard trash rates I can reapply for the single can per week rate.
